

DEEPAK KUMAR TANTI

Greater Noida, Uttar Pradesh, India | +91 9871621149 | dk.kumar201306@gmail.com | GitHub: github.com/Deepak-Devops-Lab

PROFESSIONAL SUMMARY

Aspiring DevOps Engineer with hands-on experience in Linux administration and AWS Cloud. Experienced in deploying applications on Amazon EC2, and configuring IAM, S3, Route 53, CloudWatch, Auto Scaling, Apache HTTP Server, Git/GitHub, and basic Python and Bash scripting. Passionate about automation, cloud infrastructure, and continuous learning.

TECHNICAL SKILLS

Cloud (AWS): EC2, IAM, S3, Route 53, CloudWatch, Auto Scaling, Launch Templates, Elastic Beanstalk (Basic)

Linux: Amazon Linux 2, Ubuntu, RHEL, Apache HTTP Server, SSH, WinSCP, YUM

Networking: VPC Basics, Subnetting, Security Groups, Route Tables, DNS, HTTP/HTTPS

Version Control: Git, GitHub, GitLab

Programming: Python (Basic), Bash (Basic)

Tools: AWS CLI, VMware Workstation, PuTTY, Visual Studio Code

PROFESSIONAL EXPERIENCE

AWS & Linux Intern — SO Infotech (P) Ltd.

Apr 2026 – Sep 2026

- Worked on Linux server administration and AWS cloud services.
- Deployed static web applications on Amazon EC2 using Apache HTTP Server.
- Configured IAM roles, Security Groups, Route 53, and CloudWatch.
- Used Git and GitHub for version control across projects.
- Performed Linux troubleshooting and day-to-day server management.

PROJECTS

AWS High Availability Web Hosting: Deployed a website on EC2, configured Apache, Security Groups, SSH access, and Route 53.

AWS Auto Scaling Infrastructure: Configured Launch Templates, Auto Scaling Groups, and CloudWatch alarms.

Secure EC2 to S3 Access: Implemented IAM roles and AWS CLI for secure S3 access without hardcoded access keys.

Apache Virtual Hosts: Hosted multiple websites on a single Linux server using Apache Virtual Hosts.

Git Pre-Commit Hook: Built a Python-based Git hook to block commits containing sensitive keywords.

EDUCATION

Noida International University

Bachelor of Technology — Computer Science & Engineering

CGPA: 7.50 | Expected Graduation: 2027

LANGUAGES

English, Hindi
